

2nd Tunisian International Workshop on Systems Engineering

TIWOSE 2021

November 23-24, 2021

Call for B2B Participation

The Tunisian Association on Systems Engineering (ATIS) is organizing the 2nd Tunisian International Workshop on Systems Engineering TIWOSE 2021. It will be held on November 23 and 24, 2021. This workshop caters to both practitioners and academics, providing a forum of Systems Engineering to exchange ideas and experiences on technology, methodology, applications, study cases and return on experience.

Workshop Objectives:

- Promote Systems Engineering in academia and industry in Africa and Middle East.
- Strengthen the links between the Systems Engineering communities in Tunisia and abroad.
- Strengthen the use and application of Systems Engineering in SME in Africa and Middle East.
- Explore opportunities for SME in Africa and Middle East by the use of Systems Engineering in the case of outsourcing.
- Present demos of Systems Engineering software tools.
- Propose tutorials to discover the concepts of Systems Engineering or to expand Systems Engineering skills.

B2B Participation Submission

B2B Participations have to be submitted through this link: [B2B Participation Submission](#).
